Dear Senator Kennedy:

On behalf of the staff and board of directors of the National Consumers League, the nation's oldest consumer organization, we want to wish you all the best as you recuperate from your operation. You have been an unwavering supporter of working people and consumers over your long career in the Senate. The history and mission of the National Consumers League – to champion the rights of both consumers and workers – is made all the richer because of your decades of leadership for both communities.

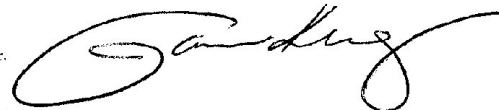

We wish you a speedy recovery, and plenty of rest and relaxation during this challenging time. The Senate won't be the same without your passionate voice, we eagerly await your return.

With best regards,

Sincerely,

Sally Greenberg
